

Arun Valley Poultry Fanciers Society

Membership Form

When does it start?

All memberships run from April to March

What are the benefits?

By becoming a member of AVPFS you will be added to our mailing list where you will receive newsletters, and Sale & Show schedules for upcoming events. The membership will also entitle you to a reduced commission of 15% in comparison to the 20% charged for non-members on all sold birds. Non-members are entitled to enter our Show & Sales.

What Shows & Sales can we enter?

A membership unfortunately doesn't give you any special access to additional events yet. We run 3 Main shows throughout the year, Spring, Summer & Autumn at the South of England Showground, these are open to all, although you will obviously pay less commission & receive updates automatically rather than having to search by being a member.

We do run additional displays through the year, but due to space limitation and the nature of the events we cannot open these to all members.

How much does it cost?

Adult £6

Child £3

Family £8

OAP £3
