Dear Poultry Keeper

You are receiving this letter and schedule as you have previously entered one of our events before avian flu restrictions. We apologise if this is no longer relevant to you.

During Avian Flu the club membership was not actively chased but with shows resuming as per normal as will our membership. If you would like to continue to receive schedules and newsletters and receive discounts on entry fees and sales commissions, please use the form below to rejoin the mailing list.

Membership runs from January to December, and membership has been split into email and postal prices to reflect the ever-increasing postage fees.

Membership*¹	Email	Postal*²
Adult	£7.00	£8.00
Family* ¹	£10.00	£11.00
Young Person	£4.00	£5.00
Senior Citizen		

*¹Adults in family memberships will be entered under one name when entering shows. Children will be entered individually.

*² Only Schedules will be posted. Any newsletters or correspondences without schedules will be emailed.

If we do not receive a membership form by post or email by the 30th June 2024, then we will delete your information. You will still be able to download these from our social media pages when published but will not be able to enjoy membership rates for entry fees etc.

Thank you.
