Unlike our 3 other shows held in warmer months, we will be using the Stockmans building at the South of England Showground. The building has over 420m² of space, consisting of a 240m² room where we are showing Poultry, and 120m² seating area with kitchen attached for exhibitors to sit down and enjoy a cup of tea, and some lunch.

Food and Drink

Food and drink will be available on the day. The nearest cashpoint is a 15minute drive so please bring cash if you would like to purchase anything. Snacks will be available all day with pre-ordered meals which can be booked with entries. There will be limited meals available on the day for those who do not book.

If you wish to go out for lunch there are two local pubs, The Gardeners Arms 0.2mile from the hall, The Ardingly Inn 1mile. Booking will most likely be necessary if you plan to visit one of these. You will also only be a 15minute drive from Haywards Heath where there are various shops and places to get some food.

Raffle

We will be holding a raffle again this year, any prizes from exhibitors would be much appreciated. Tickets will be sold on the day and drawn with Prize giving in the afternoon.

Sponsors & Trophies

We are aware after all the time you put into a bird that when you finally get on championship row, and win, the first thing on your mind... is what have I won? Unfortunately, trophies do not grow on trees and we are unable to fund them all in one go. We are lucky to have exhibitors sponsor us some trophies, and the best bit? You can be immortalised on the trophy as we are happy to name them after you if you wish... I should know... we have the Pannell Cup. *David Pannell, Show Secretary*

Bio Security for Poultry Gatherings Participants

Specific biosecurity advice for participants

Participants must familiarise themselves with the symptoms of Avian Influenza, Newcastle Disease and other notifiable diseases and should take all reasonable steps to minimise the risk of spread of such diseases through adopting pro-active biosecurity measures including, but not limited to:

- Minimise the movement of birds between enclosures, and between sites
- Ensure clean footwear before and after visits, and between sites
- Take steps to deter wild birds, particularly waterfowl
- Feed and water birds under cover and remove any spillages
- Execute an effective programme of vermin control
- Maintain good cleanliness and hygiene, regularly disinfect hard areas
- Secure poultry enclosures with appropriate fencing to deter wild birds
- Use of disinfectant mats or foot dips between buildings

Before you leave your premises to attend a poultry gathering

- If your premises are within an area of the UK which is under restrictions relating to notifiable avian disease (including Protection and Surveillance Zones), you are not permitted to attend gatherings.
- All participants must inspect the health of all birds at the place of origin before departure. Do not move birds if there are any signs, or suspicion of any disease.
- All participants must prepare clean solid-bottom and sided carriers to transport birds.
- All participants must use clean bedding material at the start of the journey, on the date of departure, which must be contained within the carrier at all times.

Further details will be included with entry passes, as well as declaration forms.
